

2018 CLUB YEAR WELCOME !!!

Dear Mom, Dad, Grandparent, Loving Caregiver,

We are so glad to have your child be a part of our Awana club on Thursday nights. If you have other children, they are also invited to one of our programs for young people 4 years old through Middle School. Our Awana clubs are:

Cubbies: 4-year old boys and girls (must be 4 by September 1st)
Sparks: Kindergarteners through second-grade
Truth & Training: Third through fifth-grade

Our club and programs meet weekly on Thursday evenings, 6:00 to 7:45 p.m.

On Thursday evenings at the same time Bethel Church also offers a youth program for Middle School. Our High School Youth Group is held on Wednesday evenings at 6pm.

An Awana club meeting consists of three parts: Games, Handbook achievement, and a Bible story / Council time. Our leaders are grateful for the **grace our Lord Jesus Christ** offers and seek to share this most precious gift with your loved ones. For more information on Awana, please visit their website at www.awana.org.

To support the church and the club program, we ask that each clubber bring a one time (annual) \$40 registration fee. There is a discount for multiple children in the same family and flexible payment plan.

Your clubber will bring home their curriculum handbook - this is the primary tool towards Awana achievement. ***Please make the effort to work with your child throughout the year in their handbook.*** Small, recurring times of study & prayer make a big difference!!!

All Scripture is God-breathed and is useful for teaching, rebuking, correcting and training in righteousness.

2 Tim 3:16

We leaders wish to partner with you in providing balanced physical, social, mental, and spiritual activities for your child. I'm always interested in hearing how we can do a better job at club...please contact me or any leader at any time with your suggestions.

If you do not have a church home, we would like to invite you to visit Bethel Church. The worship service for children and adults meets at 10:00 a.m.
